The Leadership Team of Black Belt and Brown Belt Instructor Team have all voted to Add Green Belt 3 Stripes to Leadership Class and Training Starting June 3rd, 2012 11:00am – 1:00pm Main Dojo

Leadership training is exactly that, it teaches our student to become role models, leaders, positive examples, assistants to the Instructors, develops confidence, customer service understanding, team work relationships with leadership instructor team, and how to take initiative towards addressing an issue, or developing a creative idea in making you into somebody who can work with and teach anyone.

Our Leadership program teaches our students about business and corporate understanding. This class will affect them in school, work, clubs, organizations, and with those they come in contact with in helping develop interpersonal skill development.

Once a month we have a Leadership meeting for two hours, which we will have lunch provided while our students are learning about their responsibilities as a leader. All of our Leadership Instructors after receiving their Black Belts have also maintained an excellent grade point average has gone off to college or university to study for their degrees. Once they complete their AA, BA, or Master's Degree they apply for jobs, and find that a lot of what they learned in our Leadership Class has prepared them for the Management positions they may have applied for.

We go beyond teaching great martial arts, we teach our students to be successful in life, understanding business, and customer service, by teaching them in their training in Goju Ryu Karate how to apply into their life skills.

We welcome the new Green Belts 3 strips, whose next level is Brown Belt to our Leadership Program.

Any questions please call Sensei Gene Tibon at the main dojo at (209) 465-0943.

Bangkok, May 16, 2012

To Whom It May Concern,

We would like to confirm that Mr. Gene Tibon has been appointed into the Muaythai IOC Recognition Commission, to represent the United States of America in the commission.

As a member of the Executive Marketing Team, Gene Tibon will be representing the International Champion of Champions (ICC) series. The series will comprise seven events featuring the top 52 ranked Muaythai fighters from around the globe, fighting through a twenty-four week tournament, in order to be crowned the "International Champion of Champions."

Six of the events will be held in the United States, with one event held in Canada. The event series is part of the promotional campaign for "Muaythai Towards IOC", a project to have Muaythai recognized by the International Olympic Committee (IOC), with the future goal of getting into the Olympic Program. The ICC series will also be a direct qualifying event for the 2013 SportAccord Combat Games, which is under patronage of the IOC.

Gene Tibon was a member of the 2008 USA Olympic Committee Strategic Team at the US Olympic Training Center in Colorado Springs, Colorado, for Karate in the 2016 Summer Olympic Games. His experience and knowledge will prove invaluable to us in moving forward with the promotion of Muaythai.

Muaythai is already a recognized participant in many multi-sports games, such as the SEA Games, the Asian Indoor & Martial Arts Games, Arafura, TAFISA, the SportAccord Combat Games, and has also been recommended for inclusion in the World Games. Muaythai is also involved in many charity campaigns, and has just launched the "Sport Is Your Gang" campaign, in conjunction with the Peace and Sport Organization.

The ICC series, and all involved partners, will be the perfect tool to further promote Muaythai, with its deep rooted traditions as a combat and fitness sport. The foundation of Muaythai is built on excellence, honor, respect, tradition and fair play, which also undoubtedly form the foundation of the Olympic Movement. With our combined forces, we can achieve our goal.

Sincerely yours,

Stephan Fox
Vice President, World Muaythai Council (WMC)
General Secretary, International Federation of Muaythai Amateur (IFMA)
