**Friendly Reminder: Attention Parents and Students!**  
**Monthly Tuition Increase January 1, 2013**  
**Please See New Brochures!**

Please note, prior to last year to assist our students and their families during difficult economic times; Tibon's Goju Ryu has tried to keep increases as minimal as possible. Unfortunately we now find we must raise our monthly tuition, because of our rising business operating costs.

Effective January 1, 2013, an increase of an additional \$5.00 per month, per student will be assessed. This nominal increase is less than .65 cents per class, and represents only a small portion of the increases we are experiencing.

It is our expressed wish; these new tuition fees will not present a hardship to anyone, and please realize we always try very hard to give the best value in instruction and investment, for all of our students training in traditional karate and Kobudo.

A quick survey of our local competitors, assures us we are offering quality instruction at a more modest rate, for up to twice the amount of real class-time instruction. Further, we feel we have a proven record of being a karate school that strives for excellence in developing our students to reach a national and international level of development. This is confirmed by our ability to place athletes on the U.S. National Karate Team every year, and our commitment to developing leadership in our students.

We hope you understand the necessity to raise tuitions, to compensate for higher costs in doing business and in order to keep our programs at the high level of technical quality that you have come to expect.

If you are interested in pre-paying your tuition, a discount program is in place, please ask myself, or Mrs. Tibon for more information.

Thank you for your continued business, support and cooperation.

**Sincerely, Sensei Gene & Yvonne Tibon**

## **The Leadership Team of Black Belt and Brown Belt Have Added Green Belt 3 Stripes to Leadership Class and Training Next Leadership Meeting November 18<sup>th</sup> 11am-1pm**

Leadership training is exactly that, it teaches our student to become role models, leaders, positive examples, assistants to the Instructors, develops confidence, taking initiative, customer service understanding, team work relationships with leadership instructor team, and how to take initiative towards addressing an issue, or developing a creative idea in making you into somebody who can work with and teach anyone.

Our Leadership program teaches our students about business and corporate understanding. This class will affect them in school, work, clubs, organizations, along with development of their interpersonal skill development.

Once a month we have a Leadership meeting for two hours, which we will have lunch provided while our students are learning about their responsibilities as a leader. All of our Leadership Instructors after receiving their Black Belts have also maintained an excellent grade point average has gone off to college or university to study for their degrees. Once they complete their AA, BA, or Master's Degree they apply for jobs, and find that a lot of what they learned in our Leadership Class has prepared them for the Management positions they may have applied for.

We go beyond teaching great martial arts, we teach our students to be successful in life, understanding business, and customer service, by teaching them in their training in Goju Ryu Karate how to apply into their life skills.

We welcome the new Green Belts 3 strips, whose next level is Brown Belt to our Leadership Program.

Any questions please call Sensei Gene Tibon at the main dojo at (209) 465-0943.

# CENTRAL VALLEY KARATE BOOSTERS CLUB

The Booster Club would like to continue providing funds to competitors to help offset costs associated with travel and tournament fees. There are several karate tournaments coming up in the near future: Canada (January 2013), Oregon (March 2013), and Las Vegas (April 2013). These are high level tournaments that will prepare our athletes for higher level competition at the AAU Nationals and the USANKF Nationals next summer. The Booster Club would like to see the Tibon Dojo well-represented at all of these tournaments. If you are interested in attending any of these tournaments and would like to be eligible for funds, please attend upcoming Booster Club meetings to receive more information.

The Booster Club is currently focused on one main fundraiser:
