## **Tibon's Goju Ryu Fighting Arts Years 2012 Recap**

It's hard to believe that a whole year has gone by already. It has been a tough year with our city becoming the largest city in the country to file bankruptcy. We also broke the city's all time record for murders in 2012, and Stockton again was highest in most foreclosures in the country. With all of the hardships in our city **Tibon's Goju Ryu Fighting arts work hard to develop our students to be able learn how to handle conflict management and work them to be in a healthy physical shape, and how to help our students work off the stresses of school, community, and peer pressure.** With all of the distractions the following is a timeline of our year.

**January** we have 19 of our Black Belts certify in Canada at Uchiage Kai Internationals. **February** a letter to the Stockton Record Editorial page was written to acknowledge Mrs. Yvonne Tibon for her support of Sensei Tibon and all of the students of Tibon's Goju Ryu Fighting Arts written by Jim Hoblitzell. Also 19 black belts and 100 family members attend black belt ceremony at Stockton Restaurant to celebrate international certification. Sensei Justin Love fights in his first Cage Match representing the CHP for fundraiser. **March** Sensei Javier Mantilla the PKF and WKF Referee Chair comes to Tibon's Goju Ryu main dojo to train our black belts and leadership in the new rules for WKF competition. The WKF is the world body for Karate under the International Olympic Committee. **April** Brian Embry wins first place black belt Kumite championships at Ozawa Cup Internationals, Black belts and brown belts certify for new Referee and Judges License under USANKF of Northern Calif. With Sensei Javier Mantilla. Sensei Gene Tibon teaches a free self-defense work shop for neighborhood families on basic self-defense. **May** Sensei Justin Love is now CHP Regional Self Defense Instructor for California Highway Patrol Officers for empty hand training at Tibon's Goju Ryu main Dojo for some 40-50 officers. Sensei Gene Tibon host USANKF of Northern Calif. Western United States Regional Qualifier at Delta College. Tibon's host Sensei Hideharu Igaki Past Team USA Karate Coach and USA Grassroots Director of Coaches teaches Kumite seminar at main dojo. **June** Tibon's Goju Ryu host 1<sup>st</sup> Summer IN HOUSE at Delta College for huge success for experience development. Tokubetsu Karate Team travel to southern and northern California to dominate tournaments in competition with winning most awards and scholarships Justin Gilmour wins \$500 scholarship at Okaigan Tournament in San Jose for trip to Florida for USA Nationals. **July** Justin Gilmour and Joane Orbon Win the Gold Jordan Saunders takes Bronze to Make USA National Karate Team Pool to Jr. Pan-American Karate Championships in Cancun, Mexico in September. **August** Sensei Gene Tibon host 5<sup>th</sup> Annual USA Grassroots Karate Camp at UOP with all top world champions. Our fist Leadership meeting with the three stripe green belts. **September.** Justin Gilmour and Joane Orbon compete in Pan-American Karate Championships in Cancun, Mexico with USA National Karate Team. **October** Tokubetsu travels to Ajari Cup in Oakland and help run the tournament supporting Sensei Ajari, a pioneer of Karate to the United States in the 60's. Leadership black belts do all of the refereeing and judging, our students all do very well in competition. **November** we prepared our students for black belt testing with Sensei Uchiage, and for our 28<sup>th</sup> Annual Tibon's Goju Ryu IN HOUSE Tournament at Delta College. **December** we host the largest IN HOUSE Karate Tournament in our 30 year history, light go out from the super storm, but we were still successful in completing the tournament in all Kata's and most all of the weapons and Kumite. We also had our Central Valley Karate Boosters and students from Tibon's Goju Ryu Organization participate in our first Holiday and Talent Show. We look forward to 2013 to be our best year yet for the development of our students. Thank you for your support, Happy New Years!

**Friendly Reminder: Attention Parents and Students!**  
**Monthly Tuition Increase January 1, 2013**  
**Please See New Brochures!**

Please note, prior to last year to assist our students and their families during difficult economic times; Tibon's Goju Ryu has tried to keep increases as minimal as possible. Unfortunately we now find we must raise our monthly tuition, because of our rising business operating costs.

Effective January 1, 2013, an increase of an additional \$5.00 per month, per student will be assessed. This nominal increase is less than .65 cents per class, and represents only a small portion of the increases we are experiencing.

It is our expressed wish; these new tuition fees will not present a hardship to anyone, and please realize we always try very hard to give the best value in instruction and investment, for all of our students training in traditional karate and Kobudo.

A quick survey of our local competitors, assures us we are offering quality instruction at a more modest rate, for up to twice the amount of real class-time instruction. Further, we feel we have a proven record of being a karate school that strives for excellence in developing our students to reach a national and international level of development. This is confirmed by our ability to place athletes on the U.S. National Karate Team every year, and our commitment to developing leadership in our students.

We hope you understand the necessity to raise tuitions, to compensate for higher costs in doing business and in order to keep our programs at the high level of technical quality that you have come to expect.

If you are interested in pre-paying your tuition, a discount program is in place, please ask myself, or Mrs. Tibon for more information.

Thank you for your continued business, support and cooperation.

Sincerely,    **Sensei Gene & Yvonne Tibon**

## **The Leadership Team of Black Belt and Brown Belt Have Added Green Belt 3 Stripes to Leadership Class and Training Next Leadership Meeting January 20<sup>th</sup> 11am-1pm**

Leadership training is exactly that, it teaches our student to become role models, leaders, positive examples, assistants to the Instructors, develops confidence, taking initiative, customer service understanding, team work relationships with leadership instructor team, and how to take initiative towards addressing an issue, or developing a creative idea in making you into somebody who can work with and teach anyone.

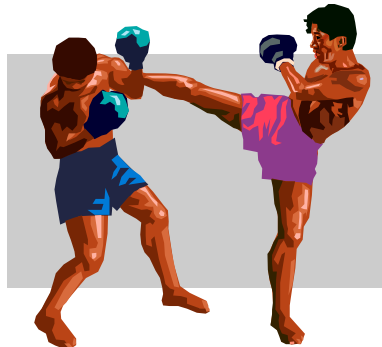

Our Leadership program teaches our students about business and corporate understanding. This class will affect them in school, work, clubs, organizations, along with development of their interpersonal skill development.

Once a month we have a Leadership meeting for two hours, which we will have lunch provided while our students are learning about their responsibilities as a leader. All of our Leadership Instructors after receiving their Black Belts have also maintained an excellent grade point average has gone off to college or university to study for their degrees. Once they complete their AA, BA, or Master's Degree they apply for jobs, and find that a lot of what they learned in our Leadership Class has prepared them for the Management positions they may have applied for.

We go beyond teaching great martial arts, we teach our students to be successful in life, understanding business, and customer service, by teaching them in their training in Goju Ryu Karate how to apply into their life skills.

We welcome the new Green Belts 3 strips, whose next level is Brown Belt to our Leadership Program.

Any questions please call Sensei Gene Tibon at the main dojo at (209) 465-0943.

Due to on going graduation of new students to the color belt classes we felt it necessary to create a new color belt class to take students from the Monday and Wednesday classes helping reduce their sizes. We look to this being a great class with great instructors.

Our front counter staff will take twenty-five students from both classes. We are looking For volunteer parents and students who would like to move their children to the Saturday class. Senior rank will be the determining factor in priority to the Saturday class. Please let the Front Counter Staff know if you are intrested to be added to the list of new students to the Saturday class.

## CENTRAL VALLEY KARATE BOOSTERS CLUB

On behalf of the Central Valley Karate Booster Club, I would like to thank everyone who supported and attended the recent Holiday Party and Talent Show. Thank you also for all of the socks donations. The shelter, where we made the donation, was very much in need of socks. I would also like to thank all of the students who participated in the talent show. Who would have known that there was so much talent within this organization? For those of you who missed out, all of the acts were outstanding; nothing but high quality entertainment. Special thanks to Sensei Justin Love for providing the music, DJing, and facilitating the games after the talent show. Special thanks also to Sensei D for MCing the event. This type of event, sponsored by the Booster Club, is put on to bring the karate families together. So that we can continue to showcase the hidden talents of our students, we hope to make this an annual event.

The Booster Club will begin planning for 2013 at the next General Meeting. There are several tournaments coming up: Canada (January 2013), Oregon (March 2013), and Las Vegas (April 2013). These are high level tournaments that will prepare our athletes for higher level competition at the AAU Nationals and the USANKF Nationals next summer. We will need to discuss the current state of the Booster Club and possible fundraising activities. We will also need to hold elections for new executive board members for this next year.

Everyone is invited to attend the next General Meeting for the Booster Club on Saturday, January 12, 2013 at 5:00PM at the Main Dojo.

Happy Holidays and Happy New Year!

Mits Ohata
