**The Leadership Team
Next Leadership Meeting
August 17th Sunday 11-1Pm**

Leadership training is exactly that, it teaches our student to become role models, leaders, positive examples, assistants to the Instructors, develops confidence, taking initiative, customer service understanding, team work relationships with leadership instructor team, and how to take initiative towards addressing an issue, or developing a creative idea in making you into somebody who can work with and teach anyone.

Our Leadership program teaches our students about business and corporate understanding. This class will affect them in school, work, clubs, organizations, along with development of their interpersonal skill development.

Once every two months we have a Leadership meeting for two hours, **this meeting is preparing for setting up a New Demo Team for Goju Ryu Karate Demonstrations for 2014-2015 to highlight our Karate program, and hopefully bring more new students into our way of Karate-do.**

We welcome the new Green Belts 3 strips, whose next level is Brown Belt to our Leadership Program. Any questions please call Sensei Gene Tibon at the main dojo at (209) 465-0943.

**Tibon's Goju Ryu Fighting Arts Karate Studio
Approved as a Physical Education Alternative for
St. Mary's High School**

Most all Stockton Unified School District High Schools accept Tibon's Goju Ryu Karate Program as a Physical Education alternative, just check in with your Counselor.

Lincoln High School and Tokay High School require athlete be in the Elite Karate Training program to qualify – See Sensei Tibon on those requirements!

Parents, Student, Leadership, Friends

We will be having a special offer for beginning level students with Groupon, which should be out in the next several days.

This offer is going to be significant three different options for starting the program. Please let your friends and relatives know about this and to take full advantage if they have wanted to start Karate. We have never offered a discount this significant in the history of our Karate program. So pass the word to you friends, relatives, and neighbors.

Students let you school friends know about this. If you are in Leadership you can actually come in on the days they are going to join the program, and you can help with their instruction for their comfort and understanding.
