Core Excel Development Academy founded in 2009, solely owned by Core Excel Development Group Inc. Chief Executive Officer Derrick Shaw. Core Excel Development Group Inc. is designated as a 501 (c) (3) Tax Exempt Corporation, in the state of California under the Internal Revenue Codes.

Founder Derrick Shaw mentored and developed youth through-out his community and as far as the state of Washington. Along with a multitude of studies, he recognized that the future of our youth depend on how well we prepare them to meet the challenges of tomorrow. Moreover a matchless investment of time, energy, resources and quality mentoring is vital for their success; academically, physically as well as socially.

With your partnership; Core Excel Development Group Inc. is prepared to develop a unique, modern; state-of-the-art Development facility that will focus on youth life skills through academic mentorship and sports immersion. The project is designed to benefit all youth, but is specifically structured to recognize and evaluate undeveloped, as well as unchallenged skills in our youth due to a lack of resources; in addition to curriculums not structured to fit the individual, but prepared for the masses. Core Excel Development Academy will provide resources and curriculums that will develop well-rounded, positive thinking individual young men and women and raise the reputation of our youth.

A variety of opportunities will be available at the complex and will have a wide range of youth programs such as, a visual and performing arts program that focuses on dance, music, opera, theatre, Spoken word, and musical theatre. Tutoring, camps and clinics are scheduled year-round to build additional confidence, strength and camaraderie among the youth, as well as recreational and competitive training activities primarily for youth, though some opportunities for adults, families, seniors and professionals are available.

Derrick Shaw, father of 3 vowed to make a difference; and as a result he seeks to build this state-of-the-art academy with services and curriculum delivered by select educators, coaches, involved parents and concerned community leaders in hope that you will catch the spirit of this vision and help it materialized on schedule. The project is scheduled for roll out in 2014-2015.

Core Excel Development Group, Inc. a Non-Profit 501 (c) (3) seeks Sponsorships/Naming Rights contributions for its proposed Youth Development Academy and/or the various components of facilities that make up the complex.

We are selling paper weight/desk bricks, personalized engraved walk way bricks as well as engraved pillars and corporate logo walls to underwrite the costs of building. Proceeds from these funds will be used to finance and directly contribute to marketing the building of said facility.

All sponsors will be recognized at the completion of the project during the Sponsor Recognition Ceremony, per the amount of the contribution and for the term noted below.

- The paper weight/desk brick sponsors will be recognized at the complex for one year.
- Personalized engraved bricks will be a permanent part of the complex. Engraved bricks will be installed walk-ways at facility. Individual and Corporate sponsors (gold and platinum package) will be recognized on a designated Sponsor's pillar or wall built at facility.

All donations are tax-deductable. Please keep updated by visiting our web site at www.corexcelyouth.org and future site location at www.coreexcel.org.
