Sensei Joane Orbon Takes Number #1 in the Nation at US Olympic Training Center in Colorado Springs, CO for USA Team Trials to Curacao in May 2017
We are proud of our Joane!

Message from Sensei Joane Orbon on her way back to Indonesia

Thank you for all the congratulations. I hope all is well at the dojo. Sorry I haven't been able to respond, I've been so busy taking care of things at home before I'm gone for another few months.

The competition was held by the USA Karate Federation the NGB for Karate in the USA at the US Olympic Training Center in Colorado Springs, CO. There were four of us athletes in the category, so we had to fight double elimination. I won all three matches.

1st Match: 6-1

2nd Match: 9-1

3rd Match: 5-1

Senior PKF will be in Curacao this year May 25-26th, 2017.

**Thank you,
Joane Orbon**

**The Leadership Team of Black Belt and Brown Belt
Have Added Green Belt 3 Stripes to
Leadership Class and Training
Next Leadership Meeting February 12th, 2017 Sunday 11am-1pm**

Leadership training is exactly that, it teaches our students to become role models, leaders, positive examples, interns to the assistants to the Instructors. It helps develop confidence, taking initiative, understanding customer service, builds team work relationships with the instructor team. This class teaches one how to take initiative towards addressing an issue, and developing a creative idea in making a person who can work in developing anyone.

Our Leadership program teaches our students about business and corporate understanding. This class will affect them in school, work, clubs, organizations, along with the development of their interpersonal skills.

Once a month we have a Leadership meeting for two hours, which will include lunch. After receiving the black belt, our Leadership Instructors work to maintain an excellent grade point average, which has been beneficial for preparation when going off to college or university to achieve their degrees. Once they have received their Associates, Bachelors, and/or Master's Degree, they find that our Leadership Class has prepared them for the Management positions they may have applied for.

We go beyond teaching great martial arts. During their training in Goju Ryu Karate; we teach our students to be successful in life, understanding business, customer service, and how to apply these skills into their lives.

We welcome the new Green Belts 3 strips, whose next level is Brown Belt to our Leadership Program. Any questions please call Sensei Gene Tibon at the main dojo at (209) 465-0943.

Sensei,

Last week Health Plan of San Joaquin offered \$100 to previous award members if they took a picture doing something community oriented. Seeing this I thought a picture after a Wednesday workout would be perfect! I promised the kids that if we won I would split the money and bring in treats for everyone next week! Ha-ha

They just let me know I was one of the winners and so I guess I am bringing Watermelon and other goods to class Wednesday. Just thought I would share since it is a cool picture and be sure to stop by next week for some treats on me!
