Sensei Joane Orbon has been selected to be Athlete Advisor. As Athlete Advisor for the American Junior Karate League, we are introducing the first point ranking system in the country for junior athletes to gain the experience they need in a professional season along with a point ranking system to allow athletes to transition into the senior tempo smoothly. This will be a year round course of events and will be the first step into making karate as great as it should be among our juniors. You are the future Olympians!

Tibon's Goju Ryu Karate Team Athlete
 Senpai Noah Helsby
 Team USA to Rio De Janeiro, Brazil
 35 Country's Best Athletes Representing Each of their Nations

Thank you to all of our friends and supporterd who helped us raise the money for Noah Helsby's Trip to Brazil. Go Noah! Go For the Gold!
 USA USA USA!

Hi my name is Noah Helsby and I am 14 years old. I started training in karate at 3 years old under Sensei Gene Tibon at Tibon's Goju-Ryu Fighting Arts in Stockton, CA. I started competing at the age of 6 going to tournaments throughout California as well as Oregon, Nevada, Pennsylvania and South Carolina. July 10-15, 2018 I competed at the USA National Championships and Team Trials in Reno, NV and won the gold medal in the 14-15 Elite Male Kumite -52kg division and secured a spot on the USA Jr National Team. This has given me the opportunity to travel to Rio de Janeiro, Brazil to compete in the Pan American Championships on August 19-26 2018!

I am raising money for travel expenses for me and my chaperone as well as other expenses I will incur. I will do my best to make my family, dojo and country proud! Thank you in advance for your support as I pursue my karate journey!

A special thank you to Sensei Tibon and Mrs Tibon , all of my Sensei's, especially Sensei Adam, my parents and dojo family for supporting me along the way!

Sincerely,
 Noah Helsby - Tibon Goju Ryu - Stockton, CA

A Jubilant Mr. Aaron Helsby when he found out all the money was raised for Noah's trip to Brazil! Yahooooooooo!

Senpai Noah Helsby as a member of Team USA at the Carioca Arena 1 is an indoor stadium in Barra da Tijuca in the west zone of Rio de Janeiro, Brazil. The venue hosted basketball at the 2016 Summer Olympics as well as wheelchair basketball and wheelchair rugby at the 2016 Summer Paralympics. As with a number of other venues in the Barra Olympic Park, Carioca Arena 1 was transformed after the games to become part of the Olympic Training Centre.

This is where the XXIX Pan-American Karate Championships will be held with the participation of the top athletes representing 34 countries from the North and South American continents.

Good luck Noah we are all cheering for you! Go USA!

Looks who is Back! Sensei Demytryk aka Sensei D

**After major brain injury that almost took his life, and years of working to come back to what he loves
Sensei D is Back!**

**He is assisting on Monday's and Wednesday's
We are so proud to have you back on the dojo floor!**

Once one of the top competitors in the country in his competition years, and then one of our top junior student class instructors. Sensei D at his hospital bed told Sensei Tibon he was determined to do what it takes, which included to relearn and remap some of his neurological memory and his physical strength, and train his body to get him back to the level to come back and assist in our junior karate classes.

Proud to Say Sensei D is Back!

**The Leadership Team of Black Belt, Brown Belt, and 3 Stripe Green Belt
Leadership Class and Training
Next Leadership Meeting September 23rd, 2018 Sunday 11am - 1pm**

Leadership training is exactly that, it teaches our students to become role models, leaders, positive examples, interns to the assistants, to the Instructors. It helps develop confidence, taking initiative, understanding customer service, builds teamwork relationships with the instructor team. This class teaches one how to take initiative towards addressing an issue, and developing a creative idea in making a person who can work in developing anyone.

Our Leadership program teaches our students about business and corporate understanding. This class will affect them in school, work, clubs, organizations, and jobs along with the development of their interpersonal skills.

Once a month we have a Leadership meeting for two hours, which will includes lunch. After receiving the black belt, our Leadership Instructors work to maintain an excellent grade point average, which has been beneficial for preparation when going off to college or university to achieve their degrees. Once they have received their Associates, Bachelors, and/or Master's Degree, they find that our Leadership Class has prepared them for the Management positions they may have applied for.

We go beyond teaching great martial arts. During their training in Goju Ryu Karate; we teach our students to be successful in life, understanding business, customer service, and how to apply these skills into their lives.

We welcome the new Green Belts 3 strips, whose next level is Brown Belt to our Leadership Program.
