The Leadership Team of Black Belt, Brown Belt, and 3 Stripe Green Belt

Leadership Class and Training

Next Leadership and Demo Team Meeting March 10th, 2019 Sunday 11am - 1pm

Leadership training is exactly that, it teaches our students to become role models, leaders, positive examples, interns to the assistants, to the Instructors. It helps develop confidence, taking initiative, understanding customer service, builds teamwork relationships with the instructor team. This class teaches one how to take initiative towards addressing an issue and developing a creative idea in making a person who can work in developing anyone.

Our Leadership program teaches our students about business and corporate understanding. This class will affect them in school, work, clubs, organizations, and jobs along with the development of their interpersonal skills.

Once a month we have a Leadership meeting for two hours, which will include lunch. After receiving the black belt, our Leadership Instructors work to maintain an excellent grade point average, which has been beneficial for preparation when going off to college or university to achieve their degrees. Once they have received their Associates, Bachelors, and/or master's degree, they find that our Leadership Class has prepared them for the Management positions they may have applied for.

We go beyond teaching great martial arts. During their training in Goju Ryu Karate; we teach our students to be successful in life, understanding business, customer service, and how to apply these skills into their lives. We welcome the new Green Belts 3 stripes; whose next level is Brown Belt to our Leadership Program.

Attention New Weapons Class Started Still Taking New Students in March

Class Started February 4th, 2019 Monday 7:30p – 9:00pm for Beginning and Novice Blue Belt and above level just starting. Sensei Aleesa Ohata will be instructing, she is a 1st Degree Black Belt in Yamani Ryu Kobudo.

We will be splitting the Friday Weapons Classes to just Intermediate and Advance Kobudo students only. The Returning Weapons class on Mondays are for those students at Blue belt and above level ranking who have just started weapons.
