

Tibon's Goju Ryu Organization Student Promotion List

This is the promotion list for students who have qualified in their training and technical requirements. If you are unsure of your requirements, please ask for a requirement sheet for the rank that you are testing for.

The next test date is **Saturday, February 27, 2010 at 12:15 noon** for WHITE , YELLOW, and ORANGE BELTS TESTING FOR BLUE WITH THE WHITE STRIPE. The second group is at **2:30 pm** for ORANGE BELTS TESTING FOR SOLID BLUE AND ABOVE. All testing and promotion ceremonies are held at **Tibon's Goju Ryu Karate Studio at 923 N. Yosemite Ave, Stockton CA 95203. For more information please call (209) 465-0943.** Please do not arrive too early because a class will be in session.

You may bring a light snack, and remember to eat a good breakfast. Water is allowed in the dojo, but not food or soft drinks. The dojo has three bathrooms available and a baby room. Please turn off cell phones. Shoes are not allowed on the dojo floor.

The technical **ranking fee is \$50.00; this covers your testing, belt, and diploma** from the Japan Karate Federation Pan American Goju Kai. Please take care of this ASAP along with your **Uchiage Kai \$10.00** membership card if you have not done so yet. **Brown belt level testing is \$70.00 for each kyu** and JKF fee. Please inform Mrs. Tibon if your name is misspelled. If your name is not on this list and you feel that it has been 6 months since your last test please check with Mrs. Tibon and she will verify the records. Finally, if you fail the testing you will not be charged again. You will retest on the items that you failed.

Sensei Tibon will inform you on your test day if you pass or fail. Your color belt will not be disclosed until the promotion ceremony on **Friday, March 19, 2010** for WHITE AND YELLOW BELTS AND ORANGE BELTS GOING TO BLUE WITH THE WHITE STRIPE **7:15pm and 8:15 pm** for ORANGE GOING TO SOLID BLUE AND ABOVE. Please do not arrive too early because a class is in session until 7 pm. **Remember to wear your karate uniform.** Your fighting requirements will be done in your regular class.

Remember the Goju Ryu Uchiage Kai Organization does not allow you to skip ranks. You may test for two, but that does not mean you will pass for two. You must have prior approval from Sensei Tibon. If you are a white belt this does not apply, as rank, yellow or orange, is determined by level of excellence.
